Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 25 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and scattered showers.

Today:
A largely cloudy start, with scattered showers and some sunny spells developing through morning. Scattered showers, locally heavy continuing through afternoon, most frequent in the east. Elsewhere sunny spells. Maximum temperature 16 deg C (61 deg F).

Tonight:
During the evening, scattered showers gradually clear with clear spells developing from the west. Overnight, lengthy clear spells develop widely with light winds. Minimum temperature 3 deg C (37 deg F).

Wednesday:
A largely dry start with sunny spells, before cloud increases for a time around midday. Sunny spells through the afternoon with the chance of a shower. Skies clearing through evening. Maximum temperature 17 deg C (63 deg F).

Outlook for Thursday to Saturday:
Largely dry with sunny spells on Thursday. Dry with sunny spells on Friday, perhaps turning hazy in the west. Sunny spells throughout Saturday. Temperatures becoming warmer.
